SCOPE STATEMENT RELATING TO GBL

Legal counsel Bill Black will draft rules regarding GBL for the board's review in June.

SPECIAL USE AUTHORIZATIONS

Reconsideration of David P. Gallanis: Yvonne Bellay reported on a paper entitled, "Nuisance wildlife control practices, policies and procedures in the United States," presented at the proceedings of the Second International Wildlife Congress. The majority of states do not have specific requirements for nuisance animal control persons and none of the states authorize persons to possess controlled substances. Information was shared about a CO₂ Chamber used for euthanasia. The board does not grant a special use authorization to Mr. Gallanis and requests that information be sent to him about the CO₂ Chambers.

MOTION: Tom Rudy moved, seconded by Yvonne Bellay, to approve SUA #717 for Denise M. Ney, UW Dept of Nutritional Sciences. Motion carried unanimously.

MOTION: Roma Rowlands moved, seconded by Robert Sloey, to approve SUA #715 for Richard L. Moss, Ph.D. UW Dept of Physiology, but to remove Isoflurane from his application since it is not a controlled substance. Motion carried unanimously.

The board reviewed SUA application #720-Robert Henderson. The board requested the authorized individuals complete a euthanasia course specific to wildlife and to submit a more appropriate, humane protocol.

MOTION: Robert Sloey moved, seconded by Yvonne Bellay, to approve SUA #721 for Patrick LaBarbera, Jackson County Sheriff's Office. Motion carried unanimously.

MOTION: Roma Rowlands moved, seconded by Robert Sloey, to approve SUA #723 for Catherine Hubert-Markos, La Crosse Dog Training. Motion carried unanimously.

REVIEW AND DISCUSSION OF SUA SURRENDERED BY
SHEBOYGAN COUNTY HUMANE SOCIETY

MOTION: Yvonne Bellay moved, seconded by Roma Rowlands, to accept the surrender of SUA #225 from Jodi Bratz, Sheboygan Humane Society. Motion carried unanimously.
